PO Box 632
GUNNEDAH, NSW, 2380

6 November 2013

Dear Peter,

On behalf of the Organising Committee and the competitors, I would like to **THANK YOU** for being associated with the event. We appreciate the support of our sponsors and we trust your involvement was beneficial to your company.

We received many positive comments and feedback from competitors, officials, spectators and sponsors.

This year the number of entries was the highest that we can recall with competitors from all states accept Tasmania taking part. The standard of competition was high and some promising new combinations provided pretty stiff competition across all levels. The inclusion of Para-Equestrian was a positive experience and is likely to continue in the future.

Spectator numbers overall were similar to last year. On-line ticket sales for Saturday were tracking above last year and we had hoped for a similar trend with gate sales. The fires around the Sydney and NSW in the lead up and during the event did impact on visitors with many reluctant to leave their homes and animals in such unpredictable weather conditions. Combined with this, we believe that Equitana in Sydney two weeks after the Championships did take away spectators, especially interstate and NSW country visitors. We are pleased to say that may sponsors and exhibitors reported they made budget and their attendance was worthwhile.

It is too early to tell the financial outcome but it will be very tight. 4

Thank you once again for being a part of the event and we look forward to your support in the future.

Next year's Saddleworld Australian Championships will be held 23 - 26 October 2014. We hope that you will continue to sponsor the event, and we would appreciate an early indication of your continued support.

Yours sincerely,

Toni Venhaus
Event Director
